Community Spring & Summer Upkeep

The City would like to encourage all residents to join together this spring and summer in beautifying the community. Each household can help by keeping yard and street easements maintained and free of unsightly objects and trash.

From Scotts Mills School:

Scotts Mills Community Members,

As many of you are aware, the remarkable Helen Plov has been an integral part of the Scotts Mills Community for an astounding 41 years. Now as she prepares to embark on her well-deserved retirement at the end of this school year, we are eager to express our gratitude for her invaluable contributions.

Helen's simple yet heartfelt request for her retirement recognition was to "have fun with the kids." In honor of her four decades of unwavering commitment, dedication, and hard work, we are organizing a grand Scotts Mills carnival. Let's make it an unforgettable celebration, showcasing just how much Helen Means to our school, community, and district!

You are invited to:
